THOUGHTS FROM JEAN

It was wonderful to see everyone at the Chili Supper! It is always fun to get a chance to chat and see the friendly faces of members that we, perhaps, haven't seen over the summer. One thought from the evening... the auction didn't receive as many bids as it used to. Maybe it is time to rethink having it or its focus. Items that seem to bring the most interest are food and drink items. Perhaps next year we should only bring food or drink items to auction off. Or... maybe this is something that has seen its day and we are ready to move on from it. Think about it for future discussions.

Special thanks to Judy Snyder for signing us up for and organizing the Scoopie Night at Culver's. Those working and eating there seemed to enjoy the night and it is nice to earn the funds for our projects.

Since our October meeting will be our first one to be held at UW-Rock, our first Open Trunk collection will be for the UW-Rock Food Pantry. Any non-perishable food will be appreciated. Since we are meeting at UW-Rock, just bring your donations in with you and we can leave them there.

We want to finalize our application plans for the Action Grant and Give Back Awards at the October meeting, so please bring any ideas you have with you to that meeting.

I'm looking forward to seeing everyone!

UW-ROCK DIRECTIONS

Thanks to Tricia for making arrangements to have the October meeting at U-Rock. The campus is left off of 2909 Kellogg Ave. The meeting room is Hyatt Smith Commons/120. You can park anywhere that doesn't say "permit required". There are handicapped spots in front of the building not as far back as the parking lot. It's less walking from the parking lot here to the meeting room than from the parking lot to the meeting room at the Moose for sure.

From the parking area, the campus is shaped like a U. Hyatt Smith is the building on the right. When they enter Hyatt Smith, the commons room is the first room on the left. (See attached map)

SCOPIE NIGHT

Judy thanks all members that came to eat and bringing friends and family to the October 2nd Scoopie Night on Milton Ave. A special thank you to all members, that worked that night and helped to make the fundraiser a success, and a success it was, with a total of \$457.32 raised for our chapter.

Several customers asked about our organization. What a great way to get the word out about what we do, with one family being interested in the Literary Competition.

CREATIVE ARTS RETREAT

Judy, Jacky and Pat enjoyed a weekend at the Green Lake Convention Center, along with about 21 other DKG members from around the state. Time was spent visiting, catching up, making crafts solving mysteries, putting on skits, bidding on raffle items and of course, eating. It is such a fun weekend, you need to think about it next year. Crafts that were made will be shared at the October meeting.

Sterling North Book and Film Festival

A reminder about the October 26th SNBF in Edgerton. Students will be reading at 12:40 in the children's section of the Edgerton Library.

For all information about what is going on that day, go to www.edgertonbookfestival.org

MEMBER UPDATES

Virginia S. had a fall, but said nothing broken. Remember to let Bev, Linda H. or Pat know if members are in need.

Jean delivered a mum to Marie. Keep Marie's husband in your thoughts and prayers.

MEMBER BIRTHDAYS

Oct. 25 Judy Snyder

LITERARY COMPETITION

It's that time of year when Linda and Terry will be getting materials ready for information to go out to schools about the Literary Competition. They can always use extra help. Think about lending a hand.

Be on the lookout for groups or workshops that promote writing. That might be another way to get possible members. Just thinking!

ALPHA IOTA'S WEBSITE

Take a look and tell women that might be interested in DKG to see what our chapter is all about. Thanks to Tricia for taking over the website for Alpha Iota. [http: deltakappagammaalphaiota.weebly.com](http://deltakappagammaalphaiota.weebly.com)
